## Products Available for Purchase

DELIVERY AVAILABLE!

PRODUCT	USE DESCRIPTION
<strong>Soil</strong>	
Premium Topsoil	Our <b>best</b> soil blend...a mix of soil, sand and compost is easy to work with. A well balanced media most beneficial for new planting beds, lawn establishment and gardens.
Screened Leaf Humus	A 100% organic, superior mulch and soil conditioner.
<strong>Mulch</strong>	
Traditional Double-Processed Mulch	A double-ground hardwood that is dark brown. Used in planting beds to help retain moisture in soil and prevent weed growth.
Dyed Black Mulch	Double-processed wood that has been colored with a black pigment for long-lasting color in your landscape beds.
Raw Woodchips	Direct from the tree chipper—not processed. Good for pathways or around <b>established</b> trees. Use extra fertilizer to compensate for nitrogen draw.
<strong>Stone</strong>	
Washed River Gravel	<b>Small (57s), Large (34s) and Extra Large (1s–2s).</b> Only available via delivery.
