The Lorain County Solid Waste Management District and Collection Center are proud to partner the Lorain Lions Club and Lions Clubs International!

The Lions Clubs are asking people to donate their used prescription eyeglasses, prescription and non-prescription sunglasses to the Lions Recycle For Sight program.

The donated glasses will be shipped to a regional Lions Eyeglass Recycling Center where they will be cleaned, categorized by prescription and prepared for distribution in developing countries where eye care is often unaffordable and inaccessible. Since 1917, Lions clubs have aided the blind and visually impaired and made a strong commitment to community service and serving youth throughout the world.
