Dear Ms. Upton,

Attached is a petition forwarded to the Lorain County Storm Water Management District from LaGrange Township Trustees, see attached, for the project known as Foster Ditch. Also attached is a map and parcel list of the watershed for the project provided by the County Engineer's Office.

I respectfully that this petition be processed with all costs being born by the Storm Water District, including H2Ohio funding that was granted earlier this year. The Storm Water District after review and approval of funding, has determined that the proposed project benefits outweigh the costs to be incurred. This project will be fully funded by the District should the Board of Commissioners make a like determination and grant the petition.

Should you need anything else please do not hesitate to call me at (440)328-2323. Thank you for the assistance on this matter.

Sincerely,

Donald C. Romancak
