# CONTRACTORS WANTED

## Partner with Kleinfelder and make an impact in our community!

We hire contractors year-round to provide residential home repairs and rehabilitation for residences through the federally funded Community Housing Impact & Preservation (CHIP) program.

Every day, Kleinfelder helps our communities by providing no-cost home repairs and rehabilitation services to income-eligible homeowners in northwest Ohio. To provide services, Kleinfelder partners with area contractors for work bids that can include **General, Lead Abatement, HVAC, Electrical, Plumbing, Roofing, ADA modifications, and other needs.**

Work opportunities are available in Auglaize County, Logan County, Lorain County, Lucas County, the City of Medina, the City of Brunswick, Medina County, Sidney/Shelby County, and Wood County. Contractors must complete an application and meet certain criteria (e.g., liability insurance, EPA/RRP Lead Certified, etc.) to be eligible. We are also looking for Lead Abatement Contractors. Programs are supported by the federally funded Community Housing Impact & Preservation (CHIP) program.
